Dear Client:

Subject: Letter of Engagement for Personal T1 returns

IMPACT CPA LLP appreciate the opportunity to work with you and to advise you on your personal T1 income tax matters. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom we prepare tax returns to confirm the following arrangement.

It is our responsibility to prepare your 2025 personal income tax return in accordance with the Income Tax Act based on the information that you provide to us (including GST/HST and any other ancillary information and tax returns). We will not audit or otherwise verify the data you submit, although we may ask you for clarification of some of the information.

It is your responsibility to provide us with all the information required to prepare complete and accurate returns. This includes (but not limited to) informing us of all interests you held in foreign properties with an aggregate cost in excess of \$100,000 at any time in the year, all income from any foreign properties regardless of the aggregate value, all income and transactions in a foreign country, and all real estate transaction including principal residency transactions.

By signing this letter, you represent that you will provide us with accurate and complete information necessary to prepare your tax returns. You should retain all the documents, cancelled cheques and other data that form the basis of your income and deductions. These may be necessary to prove the accuracy and completeness of the return to CRA. You have the final responsibility for the income tax return and therefore, you should review it carefully before you sign it.

Canada Revenue Agency (CRA) impose penalties upon taxpayers, and upon us as tax return preparers, for failure to observe due care in reporting on your income tax returns. The law imposes various penalties when taxpayers understate their tax liability. If you would like information on the amount or circumstances of these penalties, please contact us.

Our business respects the privacy of personal information, that is, information that identifies you as an individual, or that is associated with such identifying information. By engaging our services, you agree to provide personal information necessary for us to meet your service requests.

Before you provide us with any personal information on behalf of others, you agree that you will have obtained consent for collecting, using and disclosing this information, according to privacy legislation.

CRA may select your return for review. Often they request copies of your receipts and other times that they may require a full audit. Any adjustments proposed by CRA are subject to certain rights of appeal. In the event of such tax examinations, we will be available upon request to represent you.
